THE TASTY SIDE OF RAISING AWARENESS

Step 1 - Set a goal
Thank you for choosing to raise awareness and participate in a fundraiser for LBDA. You are helping thousands of individuals and their families receive valuable support and resources. Whether your goal is to raise $200 or $2,000 your efforts are going to make a major difference in the lives of many people.

Step 2 – Get Creative
Make your LewyQue fun and memorable by incorporating fun activities throughout your event. Nothing is wrong with a little competition—consider having a cook-off where participants showcase their skills on the grill and attendees vote on their favorite dishes.

Step 3 – Get others involved
Ask for assistance from family, friends, and the local community. Here's how they can help:

Organize: Create a planning committee to help make your LewyQue run as smoothly as possible.

Promote: Encourage others to share details about your event and cause with their network of family, friends, customers, employees, and co-workers. Social Media is also a quick and easy way to spread the word. Be sure to include information and links on how donations can be made.

Donate: Ask for support from some of your favorite community restaurants, request food and/or drinks to be donated to your event. If you have family and friends who are not able to attend but are interested in helping, encourage them to donate.

Step 4 – Share your success
You put in a lot of hard work to make this LewyQue a success and now it's time to brag about it! Share your success with all your family and friends, and thank them for their support. Don't forget, we want to see all the fun! Tag us on Facebook in your photos and videos with us on Facebook or email us at Specialevents@lbda.org. Photos may be shared on our social media pages.
