

# Lewy Body Dementia Knowledge & Support Summit

May 3, 2021 | Online using Zoom

9am – 12:00pm PT | 11am – 2:00pm CT | 12 – 3:00pm ET

Do you or a family member live with Lewy body dementia?

Ready to learn more and connect with others who share your experience?

Join us for the Lewy Body Dementia Knowledge & Support Summit – a free virtual event on May 3, 2021!

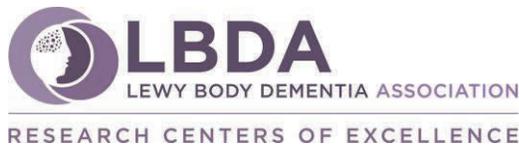

## **COAST TO COAST CONNECTIONS**

This year, the virtual format allows us to expand our reach and include people from coast to coast! The event is presented by Mayo Clinic (Rochester, MN and Jacksonville, FL) and co-sponsored by the University of Washington Memory and Brain Wellness Center (Seattle, WA).

Mayo Clinic and University of Washington are Lewy Body Dementia Association Research Centers of Excellence, part of a leading national network that offers exceptional LBD diagnosis and treatment, research, community outreach, and support.

UW Medicine  
MEMORY & BRAIN  
WELLNESS CENTER

## EVENT HIGHLIGHTS

Featuring speakers from across the nation, the event aims to provide valuable information, share useful resources, and spread messages of hope. The program will include:

- Reflections: LBD perspectives
- Showcase of LBD resources
- Review of key services offered by the Lewy Body Dementia Association
- You Asked, Leading Experts Answer! A panel discussion with LBD experts from the Mayo Clinic and the University of Washington
- Reflections on staying connected during COVID

- Caring Conversations – a facilitated small group time to interact, connect and share.

## SPECIAL VIDEO ACCESS

New this year, you'll have access to informational videos to view at your leisure after the event. Learn the basics of LBD, communication strategies, and more.

## HOW TO REGISTER

Please register online for this free event:

**Click or copy & paste this link:**

<https://mayocl.in/3d509yZ>

**Click “Register Now”;** you will be asked to sign in to Mayo Connect OR register for an account.

Once signed into Connect, you will be directed to the registration page and can register for the event.
