

Central Florida Lewy Body
& **AdventHealth**
Present:

Please join us for a virtual viewing of the recently released feature film, *SPARK*, which reveals the true story about Robin Williams and his battle with undiagnosed Lewy body dementia (LBD). The viewing of the film will be followed by a guided panel discussion about Lewy Body Dementia. The Guided discussion panel will include a woman diagnosed with Lewy Body, her spouse care-partner, and two neurology experts – Dr. Anwar Ahmed from AdventHealth & Dr. Melissa Armstrong from the University of Florida.

Don't Miss this Eye-Opening Experience!

Join Us for a **FREE** viewing on Zoom:
