

Webinar Engagement Worksheet

Key Takeaways List three important points you learned today:
1.
2.
3.
Questions and Reflections Write down any questions you have about the topic. You can submit them for the Q and A during the webinar or email our Support Services team at support@lbda.org .
1.
2.
3.
Reflect on how the information impacts you or your care partner:
•
•
•
Action Plan Identify one or two actions you will take based on what you learned: (This could be to share the information with a friend, or questions to ask your medical provider.) 1.
Identify one or two actions you will take based on what you learned: (This could be to share the information with a friend, or questions to ask your medical provider.)
